## **Online Accommodation Booking Service**

We offer a completely FREE accommodation solution for all event organisers holding events at The British Empire & Commonwealth Museum. We have a FREE ONLINE accommodation system which can be set up specifically for individual events offering accommodation at the best possible rates for the event. We manage all the allocations, deal with delegate queries and produce confirmation for each individual booking.

This system allows you to offer accommodation to all delegates, speakers and exhibitors. Just provide the link on your conference website or literature and they click in to the system and book themselves on.

Please see the following link as an example of what can be set up:  
<http://www.inanyevent-uk.com/event-management-services-venue-book.html>

If you would like a link set up for your event please call Victoria Hancock on 0845 6121883 or email [Victoria@inanyevent-uk.com](mailto:Victoria@inanyevent-uk.com)

All you need to do is let us know the dates of the event, the sort or budget you would like us to work towards and number of delegates and leave the rest to us.
